Police Seek Public's Help with Identifying Suspects Wanted for Armed Robberies and Shootings

Newark Public Safety Director Anthony F. Ambrose is requesting the public's help with identifying the below pictured suspects who are wanted for a series of robberies and their role in shooting incidents on November 15, 2020.

Officers responded to a robbery in progress at approximately 4:02 p.m. on Pacific Street. When they arrived, the victim told police that one of the suspects assaulted him and the second suspect pulled out a handgun. The men took his wallet and fled in a white colored Toyota 4 Runner.

The first suspect, armed with a handgun, has a medium brown complexion and beard and was wearing a black sweater. The second suspect, who has a white complexion, was wearing a white sweatshirt and black pants.

Following the robbery, the vehicle was used in a shooting about 30 minutes later at 4:38 p.m. The victim, who was not injured, told officers that a white Toyota 4 Runner

struck his vehicle at North 5th Street and Third Avenue. When the victim tried to follow the suspects, one of them fired a shot at him at Abington Avenue and Fourth Street.

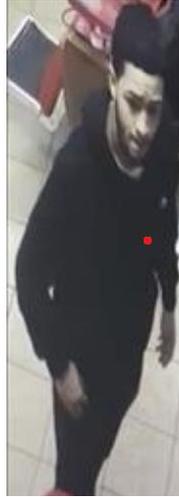

After this incident, two men told police that one of the suspects in the same Toyota 4 Runner pointed a gun at them when they saw the suspects robbing and assaulting a man in the 400 block of N. 5th Street. The suspects then chased after the two men, who told police officers that they heard gunshots as they drove away from the suspects on N. 7th Street.

While detectives investigating this incident are seeking the public's help in quickly identifying the suspect, Director Ambrose urges anyone with information about this individual to call the Division's 24-hour Crime Stopper tip line at 1-877-NWK-TIPS (1-877-695-8477). All anonymous Crime Stopper tips are kept confidential and could result in a reward.

Anonymous tips may also be made using the Police Division's website at: www.newarkpd.org or through our Smartphone App available at iTunes and Google Play. Search Newark Police Division to download the App.
