Police Seek Public's Help Identifying Burglary Suspects

Newark Public Safety Director Fritz G. Fragé requests the public's help with identifying the below-pictured suspects, who broke into an electronics store and stole merchandise on October 20, 2022.

Police officers responded to a burglar alarm at Discount Electronics, located in the 100 block of Ferry Street. When they arrived, the front door of the business along with a glass display case was broken and shattered. On surveillance video, the suspects pictured-below threw a rock at the front glass door to gain entry. Once inside, they removed electronic devices and phones from the front glass display case. They fled in a blue 1994-1997 Honda Civic that didn't have license plates, a front bumper, and two front tire hubcaps.

Director Fragé urges anyone with information about the suspects to call the Police Division's 24-hour Crime Stopper tip line at 1-877-NWK-TIPS (1-877-695-8477). All anonymous Crime Stopper tips are kept confidential and could result in a reward. Anonymous tips may also be made using the Police Division's website at: <https://npd.newarkpublicsafety.org> Newark Police Division or through our Smartphone App available at your App Store.
