TRAFFIC ADVISORY

Today's Predicted Snow Followed by Wintry Mix May Produce Flooding

Newark Public Safety Director Fritz G. Fragé reports that snow, predicted today, Monday, February 27, 2023, followed by a wintry mix on Tuesday, February 28, 2023, may produce flooding.

Snow is expected to begin today at 6 p.m. followed by a wintry mix of snow and sleet tomorrow, between 1 a.m. and 4 a.m. and ending on Tuesday afternoon. Snow accumulations are predicted at 3" to 5".

The following locations should be avoided due to flooding conditions or the potential for flooding:

- Clay Street and McCarter Highway
- South Street and Van Buren Street
- Jefferson and Chestnut Streets
- State Street near Broad Street
- Jabez and Backus Streets
- 357 Wilson Avenue
- Manufacturers Place and Hyatt Street
- Magazine Street and Avenue L
- Magazine Street and Amsterdam Street
- Raymond Boulevard and Blanchard Street
- Avenue L and Wilson Avenue
- Wilson Avenue and Avenue K
- Mary Street and Avenue L
- Ferry and Foundry Streets
- Hyatt Avenue and Wilson Avenue
- South Street and Adams Street
- South Street and Pulaski Street
- South Street and Pacific Street
- South Street and Dawson Street
- Pacific Street and Calumet Street
- Pulaski Street and Clifford Street
- Jefferson Street and Clifford Street
- Van Buren Street and Clifford Street
- Foundry Street and Roanoke Avenue
- Foundry Street and Avenue P
- Norfolk Street
- Orange Street
- Nesbitt Street
- McClellan Street and Runiak Avenue
- McClellan Street and Frelinghuysen Avenue
- Frelinghuysen Avenue and Peddie Street
- Frelinghuysen Avenue and Noble Street
- Noble Street and Meeker Avenue
- Elizabeth Avenue and Meeker Avenue
- Martin Luther King Blvd. and State Street
- Martin Luther King Blvd. and Orange Street, and
- Frelinghuysen Avenue and the Route 22 underpass

All residents are asked to observe the city's "No Parking on Snow Covered Roads" regulations. Signs have been posted on streets throughout the City of Newark to notify motorists of the streets designated for no parking during snow storms. Motorists and residents are urged to look for the signs to identify the streets where the parking ban will be enforced.

The Department of Public Safety is coordinating responses to burglar alarms, flooding conditions, and other weather-related incidents through the combined use of Police, Fire, and Office of Emergency Management

Personnel. Special attention should be given to unsecured outdoor furniture, awnings, refuse, and building materials. For fire safety, please utilize flashlights, instead of candles, should you lose electricity due to this weather event.

Please call 973-733-6000 for non-emergency weather-related matters. Dial 911 for emergencies.
